

Cranford Historical Society Membership!

Dear Valued Friend and Supporter:

The Cranford Historical Society was founded in 1927 by a small group of local citizens interested in preserving the unique history of this special place. Since our founding, the society has been dedicated to the perpetuation of Cranford's history. Our collection today includes photographs, scrapbooks, glass negatives, furniture, tools, kitchen and farm implements, Indian artifacts, books, letters and numerous other items related to Cranford and its citizens. Our costume collection continues to expand, and is considered by many experts to be one of the finest collections in New Jersey. The restored Crane-Phillips House attracts visitors eager to experience life the way it was in the late 19th century. Our Sunday programs and community outreach make the Cranford Historical Society an integral part of the cultural life of Cranford.

We continue our mission of collecting and documenting Cranford's history. In addition to looking backward, we also look forward. To this end, we have updated our technology and anticipate an electronic version of The Mill Wheel later this year.

On behalf of the Board of Trustees, I thank you for your support. The Cranford Historical Society will continue its important mission of preserving our heritage thanks to your interest and efforts to support the work we do.

Sincerely,

Patricia Pavlak

Trustee/Membership Chairperson
