

Cranford Historical Society Membership

Founded in 1927, the Cranford Historical Society’s mission is to preserve and perpetuate the history of Cranford. We maintain the Crane-Phillips House Museum, open to the public every 2nd and 4th Sunday of the month, and its beautiful gardens. We host programs including book discussions, speakers on an array of interesting topics, antique appraisals, family, craft and holiday events and more. To encourage a love of history in our young people, we host students and Scouts at our museum to learn what life was like in the 1870s. We maintain the Hanson House, where our office is located, and we assist a steady stream of people researching their homes or looking for information about local history. We also publish The Mill Wheel, our newsletter, five times a year for our members. The Mill Wheel contains society news and interesting articles on local history.

Please help us keep the Cranford Historical Society strong by becoming a member. Thank you for your support!
